**“WE TEACH BY POSITIVE MOTIVATION REINFORCEMENT”**

**WELCOME**

We welcome you to Joseph’s Obedience Training School. We are pleased that you have enrolled in our classes. Each training session will consist of instruction, demonstration and practice. You will be given written instructions to use in your practice sessions with your dog at home during the week.

You will be taught positive motivation reinforcement. Being successful requires keeping a positive attitude with your dog. **SMILE, PRAISE AND REWARD.**

Dogs love to please their masters. A well disciplined and trained dog is a great joy for both the dog and owner. We look forward to this training experience with you.

**IMPORTANT INFORMATION**

Full payment for class is required with your completed registration form. If a cancellation is made at least 48 hours prior to the class start date, a 50% refund in the form of a gift certificate will be issued and may be applied towards another class at our school. The remaining 50% is non-refundable. Due to limited class space, the non-refundable portion is not refundable in all circumstances, including but not limited to, no longer owning the dog registered, or a change in the owners schedule. A current rabies certificate is required by the first class. The rabies certificate is required by law. Should your puppy be too young for its first rabies vaccination, a copy of the second set of shots will be required. It is recommended that you feed your dog either 2 hours before, or 2 hours after class to avoid any stress on your pet. **Please walk your dog BEFORE class to avoid any accidents.**

We limit all of our obedience classes to 6 dogs in order to provide optimum attention and quality instruction to each handler and dog.
