

Reiki for Dogs

Offered by certified Reiki Master Dianne Smith

Reiki is a non-invasive, complementary and alternative healing practice that promotes overall health and well-being. Animals are highly sensitive to the energies of their surroundings and intuitively understand Reiki as a healing energy.

Reiki balances energy and strengthens your animal's natural healing systems. A Reiki session can aid in pain management and promote relaxation.

Book a session today!

Half hour sessions: \$35

(by appointment only)
